Jeffrey S. Sams, M.D.

Preparation for Upper Endoscopy or E.R.C.P.

Your examination has been scheduled at:

TAYLOR STATION SURGICAL CENTER
275 Taylor Station Road, Columbus, OH 43213
Located on the corner of Taylor Station and Morrison Roads.
Please call to pre-register (614) 751-4466.
Arrive 90 minutes before scheduled procedure time.

You must be fasting of all solid food from midnight the night before. You may have clear liquids up to (4) hours before the exam. Clear liquids include juices without pulp (apple, white grape, lemonade, etc.), sports drinks, water, tea, coffee, (no cream), gelatin (e.g. Jello) without fruit, soft drinks, clear broth or bouillon, ice pops (e.g. Popsicles). For the four hours before the exam, you must be totally fasting.

You may take your usual pill or medications up until four hours before the procedure (but no bulk agents like Metamucil or Citrucel).

Call TSSC if you are taking Coumadin or Plavix for special instructions. Diabetics should also call for further instructions.

You **MUST** have a driver who can bring you home after the procedure, as sedatives are usually given for these exams. (We will not sedate a patient who has no driver!)

Please call TSSC with any questions. Please remember to arrive 90 minutes before your scheduled exam time.
